**OPG Information Day  
June 8, 2017  
Darlington Energy Centre**

Canadian Nuclear Partners is pleased to host OPG Information Day from 9:30 to 16:30 on June 8<sup>th</sup> following the 37<sup>th</sup> annual CNS Conference. If you are travelling to Canada to attend the CNS Conference please think about staying an extra day to join us.

Attendees will tour the following facilities:

- Darlington Refurbishment Waste Processing Facility
- Darlington site layout for Refurbishment
- Darlington Energy Complex and Refurbishment Training/Mock Up Facility

In addition, we will share presentations on the following topics:

- Darlington Refurbishment
- Pickering Safe Store project
- OPG Engineering fuel channel research and advancements
- OPG Reactor Inspection and Innovation
- Presentations from attending organizations (15 – 30 minute overviews)

In order to attend this event:

1. Contact Brian Fehrenbach for initial registration and security information, and information about travel and hotel options (*all attendees are expected to provide their own transportation to Darlington*)
2. Complete and submit the registration and security application to Brian Fehrenbach
3. The first 20 candidates will be confirmed following the successful processing of the security and visitor applications

Contact [Brian.Fehrenbach@opg.com](mailto:Brian.Fehrenbach@opg.com) to register or for more information.
