

Colin Hunt has served as CNS Secretary since first election to Council in 2011.

He has taken an active role in securing continuance for the CNS under the new Canada Not For Profit Corporations Act. Colin has also been the lead author of two CNS public interventions for the relicensing of the Pickering NGS in 2013 and the consultation on Chalk River Laboratories conducted by Public Works Canada in 2012. He was the lead author of the CNS intervention in the Bruce NGS relicensing and co-presenter with CNS President Jacques Plourde.

Mr. Hunt is also the Publisher and Editor of Nuclear Canada Yearbook. He is also Publisher of the CNS Bulletin. Prior to that he served as Research and Publications Director for the Canadian Nuclear Association from 1992 to 2010.

At this time, he resides in Ottawa.
